ABOUT

DJ Nasty Nige™ is a **Caribbean-rooted DJ from Guyana** with deep roots in reggae, dancehall, hip hop, R&B, and soca. A pioneer of live video DJ sets on Reddit's RPAN platform, he produced **79 broadcasts from 2021 to 2022** under r/RedditSets, building a dedicated international community around the culture.

His *Nasty Dubs* collection stands as one of the most extensive personal dubplate libraries in the Caribbean DJ scene — **59 exclusive video dubplates from 39 artists** including Buju Banton, Capleton, Beenie Man, Bounty Killer, and Beres Hammond.
